Delightful little frocks of craysheen, in pastel shades. Cool and smart for Summer days. Sizes 16 to 30.

Mackie-Parlby Tie Polls

With All Polls in Mackie and Parlby
are Tied With 1941 Votes
Recount Necessary

As we go to press this morning, indications are that Hon. Irene Parlby has gone down to defeat, J. R. Mackie being in the lead with only one small poll to hear from. From Mrs. Parlby's home district to west of Bentley, Mr. Mackie held a good lead, which was pulled down by the polls of the far west, Bingley especially, a strong foreign settlement, giving her a very strong majority. Other west polls broke fairly even, and when Medicine Valley recorded a vote of Mackie 19, Parlby 3, Mackie was put in the lead by four votes. Washington Heights poll, near Medicine Valley has not sent in returns yet.

The electors of the Lacombe constituency have shown in a decisive manner that the Hon. Irene Parlby, while a most estimable lady, is not the person who should represent a great agricultural district like Lacombe.

In all probability there will be a recount, no matter who wins the last poll.

Following is the vote so far recorded:

	Mackie	Parlby	Medicine Valley	
Benjamin	23	10	19	3
Andrews	11	28	18	14
Estonia	8	44	10	5
Blueberry Valley	4	14	10	30

STANDING OF PARTIES

At the time this edition went to press, the standing of the parties in Alberta was:

	Last House	House
U.F.A.	28	43
Liberal	4	7
Conservative	2	4
Labor	2	6
Independent	2	..

Baxter Government Returned:

Saint John, N.B., June 20—The Conservative Government led by Hon. J. B. M. Baxter, was victorious in the general provincial election held throughout New Brunswick Thursday. Complete results give the Government 31 seats against 17 won by the Liberal opposition, headed by Wendell P. Jones, who went down to defeat in his own constituency of Carleton. The speaker of the House, Hon. J. L. O'Brien, and the Hon. Lewis Smith, Minister of Agriculture, contributed to the six seats gained by the opposition, the former losing in Northumberland and the latter in Albert. The only Independent candidate nominated lost his deposit in Moncton City as did the two opposition candidates running in Saint John County. The standing of the House at dissolution was: Government, 35; Opposition, 11; vacant seats, 2.

WHERE CHICAGO'S HOPE LIES

It begins to look as though Chicago's hope will soon be wishing they had left that reporter alone. The newspapers of the Windy City are giving every indication that their demand for a grand clean up is not "hot air" this time. Pressure brought upon public officials has been so great that the chief of police has resigned and there is even talk of Big Bill Thompson being forced out of the mayor's chair before his time is up. Hundreds of criminals of various calibres have been arrested, but has been refused, and energetic prosecutions begin.

This is all to the good. But there is an ironical twist to the whole business that the Chicago editors are not stressing. The Tribune reporter had been a member of the Chicago Tribune staff for many years. Yet it was this very paper which, some months ago, started on a campaign to show Chicago was no worse than, nor even as bad as other larger cities in the United States. Now it knows it is bad enough.

The Tribune has offered \$25,000 for the arrest of the murderer. Yet what use to arrest the gunman unless he is tried, and executed? There

were ten thousand known murders in the United States last year. Ninety eight per cent. of them went unpunished. The Tribune might better bend its energies to a campaign to have the United States emulate the judicial system of Canada. Chicago is only a few miles from the Dominion; Detroit only a few hundred yards. Yet they are thousands of miles and hundreds of years from Canada in their treatment of criminals. Until Uncle Sam abandons the election of judges and turns his courts into tribunals whose sole function is to see that justice is done; until he stops regarding the law as a means to protect wrongdoers; until he ceases sentimentalizing over gunmen and murderers in his public prints, it is only logical to expect the criminal will more and more frequently show his contempt for police and courts and judges.

If one dared report leads to a real reformation in Chicago, he will have achieved more in dying than in all the columns he has written about gunmen, their quarrels, their loves and their fancy funerals.

Electric Refrigerators and Electric Ranges at Morrison and Johnston, Ltd.

J. R. Mackie

LOST—Key ring with 6 or 7 keys. Finder return to Globe Office.

A general meeting of the Canadian Legion will be held in the Town Hall Saturday, June 21. Everybody come.

"Flit" destroys Flies, Mosquitoes, Moths and Bugs. It kills flying insects by the roomful. Morrison and Johnston, Ltd.

All arrangements are now completed for the Lacombe High School Reunion Dance at Fernies Hall Gull Lake. Music will be supplied by the Star Spicce orchestra, and a good time is assured.

Mr. Touche has noted with pleasure the many who would take his music lessons in return for mending his socks, but regrets he is limited to wearing only one pair at a time; however he says that if these same people would call on him, and if they show real talent, they might be surprised at what he would do to help them with their music.

Mrs. A. C. Giberson, who formerly owned and operated the local green house, is in the hospital at Wetaskiwin, where she was taken following a motor car accident last Sunday. John Proudfoot, driver the car, was taking Mrs. Giberson to visit friends near Wetaskiwin, and when turning out to pass another car, their own auto skidded into the ditch and overturned. Mrs. Giberson, who is nearly 70 years of age, was severely bruised and shaken up and for a time seemed very ill. Last reports, however stated that she was considerably improved.

MARRIED
Short—Cheshire
At St. Cyprian's Church, Lacombe, on Wednesday, June 15th, at 3:30 p.m. by the Rector, the Rev. T. H. Chapman; Ernest Short and Essylt Cheshire, both of Clive, Alberta.

The happy young couple were attended by Mr. and Mrs. William Short, who also signed the Register as Witnesses. The Wedding Marches were rendered by Mrs. M. W. Foster, the Organist of St. Cyprian's in her usual delightful manner.

Mr. and Mrs. Short will take up residence in Clive, and have the best wishes of numerous friends.

STRAYED

Here and There

Yak's turns while the engine was under a full load of steam. Engineer H. J. Storey and Fireman A. Fulkerson, dumped the fire and entered the fire box of the engine to make running repairs of the grate displaced from the grate carrier on Canadian Pacific engine 570 at Lope, B.C., recently. They could stand the intense heat only a few minutes at a time, but they succeeded in their work and saved serious delay, bringing their train to destination within a few minutes of scheduled time. They were each awarded 10 merit marks, the railway's recognition of conspicuous merit.

Forty-three years ago May 24 last, the first transcontinental passenger train reached Vancouver over the Canadian Pacific Railway, leaving again next day. That was eleven months after the start of the first through passenger train at Port Moody, original terminus of the transcontinental line.

"Judging from present indications there is every reason to believe that the tourist traffic from the United States and from other Canadian provinces to the Maritime will reach record proportions this season," says S. D. Dyer, recently appointed district passenger agent for the Canadian Pacific Railway at Saint John, N.B.

Three important appointments in the freight traffic department of the Canadian Pacific Railway have been announced by George Stephens, newly appointed vice-president in charge of traffic. They are: E. J. Jeffers, assistant freight traffic manager, Winnipeg, to be freight traffic manager, Montreal; H. W. Gillis, assistant freight traffic manager, eastern lines, to go to western lines in the same capacity; and Gerald Ham, assistant general freight agent, Montreal, to be assistant freight traffic manager, eastern lines. The appointments were effective from June 1.

A ten day "all expense" tour of eastern Canada, covering 2500 miles, and including a visit to the Toronto Exhibition, the city's greatest annual fair, will be conducted from the Maritimes by Professor H. L. Stewart, of Dalhousie University, next August. The tour which will take in most of the points and cities of interest in the territory will be over the lines of the Canadian Pacific, Dominion Atlantic and Quebec Central Railways and by Canada Steamships Line.

Six of the Canadian provinces, Nova Scotia, New Brunswick, Quebec, Manitoba, Alberta and British Columbia, have taken advantage of the Farm Loans Act of Canada, a Dominion Government measure under which long term mortgages for the purchase of Canadian farm lands is extended to Canadian farmers. At the end of last March loans to the total amount of \$4,351,000 had been approved.

THAT TELL MORE THAN A THOUSAND PROMISES

NO GENERAL ELECTRIC REFRIGERATOR OWNER EVER SPENT A CENT FOR SERVICE

WEAR after year . . . in hundreds of thousands of homes . . . General Electric Refrigerators have proved to be absolutely dependable and trouble-free in operation.

Not one owner has spent a cent for service! This enviable record explains why more General Electric Refrigerators are now going into homes than any other make.

The General Electric has no fans, belts or stuffing boxes to get out of order. All the mechanism is sealed in steel, with a permanent supply of lubricating oil. Dust and moisture are forever shut outside of this airtight unit. It always operates smoothly, efficiently and quietly.

Easy Terms Arranged—Small Down Payment; balance twenty-four monthly installments.

Lacombe Board of Trade

Following is Mr. Bernhard's address to the Board of Trade at its meeting last week:

Mr. Chairman and Gentlemen:

Let me thank you for opening up your meeting to me and for the opportunity to say a few words to you.

First of all, I want to express personally my heart felt gratitude for the very kind and valuable assistance that has been offered by all your gentlemen since our disastrous fire which destroyed three of our large buildings a week ago last Wednesday morning. We appreciate the prompt response of the Lacombe Fire Department under the able leadership of Mr. Sage and the willingness of each member of his brigade.

You were very kind in offering, as it seemed to us, almost everything you had in accommodation in your private homes for our homeless boys to the use of your assembly hall in the High School.

I am glad to tell you that we are getting along as well as possible under the circumstances. The boys have been taken into private homes in the neighborhood and we are conducting class work in the gymnasium, the girls parlor, in the science laboratories and have classes each morning in two rooms of the primary school before 9:00 o'clock. Some classes are being conducted out in the open.

The garage is being used as a kitchen and dining room. Here we have a long forty foot table along one side of it and when the table is occupied the rest of the students take their tray out under the trees and eat there.

I must not forget to mention the loyal co-operation and solid support

of both teachers and students at such a time as this. A spirit like this certainly goes a long way in facing the many problems which are confronted with us.

We are very grateful to our Heavenly father for the fact that no lives were lost and that the boys who were injured are progressing so encouragingly in their splendid hospital.

And how we are faced with the problem of rebuilding. To one like myself who has been connected with the institution for over twenty years and who has seen it grow from a few classes conducted in a little red school house built in a red barn, into a splendid college in which over forty classes are taught every day, (and this does not include the work of the elementary school) this task of reconstructing seems at times discouraging. But I hope it will not take as long to rebuild.

The loss amounts to about \$66,000. To rebuild and refurnish larger and better will cost \$100,000. So you see we are confronted first of all with the problem of raising a considerable sum of money.

Our College board is in session at present in San Francisco where a World Conference of Seven-day Adventists is being held. They are considering plans for the future of Canadian Junior College.

One plan which they are considering to locate the College, which is the training school for our denomination for Western Canada, at Battleford Saskatchewan. This plan, while it would involve the smallest outlay of money, does not appeal to me. However, if we find that we cannot raise the money, it may be the only thing we can do. For we have a very fine institution at Battleford, which is really too large for the student body there. There are over six hundred acres of land connected with the school there and that is something we do not have here.

I am hoping very much that the school may be kept right here at Lacombe; but the members of our denomination in Western Canada, will have to lift hard and donate much in order to raise the necessary capital.

In our plans for raising money we will of course, include the business friends here. New purely as a business venture it is any benefit to the town of Lacombe in general and to you business men in particular, it has this institution at your doors. I might tell you that we have a community at College Heights near Lacombe about 350 people, living all within a radius of about one-half a mile from the College. During nine months of the year we have about two-hundred students enrolled. Do these students bring any business to your stores or not? In my office I have perhaps a better opportunity of observing just how much these young people spend in your town for things which we do not sell them at the College and I am putting it very conservatively when I estimate this amount to be about five thousand dollars each year. That is not all. We have about thirty families living practically all the year around near the college. These families do nearly all of their trading at Lacombe. I am sure they bring to your fair town at least \$20,000 worth of business every year. And that is not all. The amount of money that the College itself spends in Lacombe every year amounts to over \$15,000.00. This is not a mere guess but a figure that can be proved.

In times past it has been said that we buy most of our goods wholesale, conduct a regular store at the College and sell to the people living around here. We do buy some of our goods wholesale such as groceries, some hardware, stationery and paper. The latter two items Lacombe is not in a position to sell to us. The first two, viz groceries and hardware are for the institution itself and we sell very little of them to the people of College Heights. Summing up these remarks we have an amount \$40,000.00 which our community brings into Lacombe every year.

Now then, is it worth while for you to try and hold this business right here in Lacombe, or will you say, no we cannot help you, times are too hard. Times are too hard and so you let \$40,000.00 slip away from you. Now you say what can we do? Well to save you a lot of work and the appointment of a committee or two, I will outline a plan for you. I feel that the town of Lacombe should help us at this time with at least \$2,500.00.

Every year we conduct a Harvest Ingathering Campaign for Home and Foreign Missions. The business men of Lacombe have responded most liberally each year that Mr. Rusker, for the chairman of our College Board, and I have called on you. The amount contributed each year by you is about \$250.00. Now if each one of you will give us just ten times that much you will have raised \$2,500.

To increase your contribution ten fold may seem extraordinary. But friends this is an extraordinary situation and we feel that you will come to our help. And I am sure that if this Board of Trade gets behind a campaign of this kind we can put it over the top. I hope that what you will do at this meeting is to approve of the campaign and then we can study the details later.

If we are going to rebuild here, we will want to do so very soon and we should have this sum sometime during the summer.

Now, Mr. Chairman, I have finished. I thank you for your kind attention and hope that you will join hands with us in making it a larger and better Canadian Junior College. I thank you!

C. P. R. Traffic Appointments

Three important appointments in the freight traffic department of the Canadian Pacific Railway have been announced by George Stephen, newly appointed vice-president in charge of traffic. They are C. E. Jefferson, assistant freight traffic manager, western lines, Winnipeg, (centre of layout), who comes to Montreal as freight traffic manager; H. W. Gillis, assistant freight traffic manager, eastern lines, (right), who is appointed to western lines as assistant freight traffic manager; and Gerald Hiam, assistant general freight agent, Montreal, (left), who becomes assistant freight traffic manager, eastern lines.

Mr. Jefferson entered Canadian Pacific service in 1913 as percentage clerk in the freight tariff bureau, Montreal, and in 1915 was promoted assistant general freight agent, Montreal. He became acting general freight agent in 1921 and general freight agent, western lines, in 1922, and in 1927 he was appointed assistant freight traffic manager, western lines. His present promotion brings him back east.

Mr. Gillis worked his way up in Canadian Pacific service from call boy and messenger in 1905 through the ranks of the freight department in Montreal. From chief clerk in 1915 he was promoted to assistant general freight agent in 1919, assistant general freight agent in 1922 and assistant freight traffic manager in 1926. He now goes west in the same capacity.

Mr. Hiam joined the Canadian Pacific Railway in 1904 and after holding several positions in the freight traffic department, vice-president's office and freight tariff bureau, Montreal, was appointed travelling freight agent, Toronto, and district freight agent, Fort William, in 1914. He went overseas to the war in 1915 and in 1919 was appointed district freight agent at Cleveland, O. He went to Saint John as division freight agent in 1926 and was appointed assistant general freight agent at Montreal in 1928.

It gives the Farmer practical advice on Weed Eradication

E. S. Archibald, Director of Experimental Farms in the Federal Department of Agriculture, is one of many leading Canadian agricultural authorities who endorse "Weed Control", the Imperial Oil Book dealing with weed extermination. "Weed Control" contains all the latest facts and figures pertaining to the weed problem. It has been sent free to 50,000 Canadian farmers. Have you received your copy of this free book? If not, mail attached coupon and it will be delivered to you without delay.

BREMEN REEDS' RECITAL

Thursday, June 26th

For years Gull Lake has been known as one of the finest summer resorts in Alberta. The Provincial Government are establishing at Gull Lake one of the finest public play grounds in the Province. A start has been made in establishing a Boys and Girls' Camp at Gull Lake. Let us make it the best Camp in Alberta, for our own boys and girls of Lacombe district.

Bremmen Reed and Florence Hall have distinguished themselves, and brought honour to Lacombe when appearing before audiences in Edmonton, Calgary and Toronto. These young girls are giving a concert in Lacombe to help raise funds for the Boys and Girls' Camp. Let us show our appreciation by a packed house and a good collection at the United Church, Lacombe, on Thursday evening, June 26th at 8.15.

BAPTIST CHURCH

Sunday School and Bible Classes, at 11 a.m.

Sunday School picnic will be held on Saturday, 21st. Meet at the Church at 1.30 p.m. Conveyances will be provided to take all out to Jackfish Lake.

The pastor will give a summary of the Baptist convention held last week in Calgary, at 7.30 p.m.

Thursday at 8 p.m. the prayer meeting. Especially pray for the much needed rain. God answer's prayers.

IN MEMORIAM

BRODERSEN: In loving memory of our dear husband and father, Paul Brodersen, who passed away suddenly on the 19th of June, 1929, at Leedale, Alberta.

So swiftly and quietly came the call, His sudden death surprised us all. 'Tis only those who are left can tell The pain in our hearts, dear father, without saying farewell.

The Lord is good, He gives us strength To bear our heavy cross; He is the only one that knows How bitter is our loss.

Ever remembered by his loving wife and children, Lacombe, Alta.

FOOTBALL MATCH

Ponoka were our visitors in a League fixture, on Tuesday, 17th. The score was 1 to 1. Ponoka lined up as follows: McConaghy, Spinks, Morris, Connor, MacKenzie, Cadell, Smith, James, Carter, Matthews, McLachan. Lacombe lineup: Dodd, Allan, Shaw, Hingston, Sheridan, Tanner, Hughes, Welch, Brooks. The couple draws were re-arranged with two games at Lacombe.

ST. ANDREW'S UNITED CHURCH

The Quarterly Communion Service will be held on the last Sunday of June in the evening.

A congregational picnic will be held at Gull Lake on the afternoon of the last Friday of June. All the families connected with the Church are asked to come with their baskets, and make the gathering a pleasant one.

A Camp for boys and girls of all denominations, over twelve, will be held at Meridian Beach in July, at a cost of seven dollars for ten days. The boys will meet from July 1st to 11th, and the girls from the 14th to the 24th. Jack Collett, Premier of the Alberta Boys' Parliament, will assist at the Boys' Camp. Any further information will be given by Rev. R. B. Layton, Lacombe.

On Wednesday afternoon, June 25, men from different places will assemble on the Camp Grounds to prepare for the Camp. Any such assistance will be gratefully received, as much work must be done yet. Arrangements will be made for those who have no car to be taken out.

LACOMBE BASEBALL TEAM IMPROVING RAPIDLY

Although the Lacombe Baseball Team is severe practices behind the other teams in the league, they are rapidly getting in shape, and before many games are played they should equal up to any team in the league. Each game they play they show improvement, and right now are a pretty hard bunch to beat. In their last game at Wetaskiwin, they played to a draw, the score being six to six and only for an exceptionally good catch by one of the Wetaskiwin players in the last part of the game, Lacombe would undoubtedly have won this fixture. A wonderful exhibition of baseball was given to the large crowd of fans and there was only one error for each team. Battery for Lacombe Gwynne and Bennett, Bennett on the mound.

There will be a league game Friday night here, against Hobbema, and a large crowd should be there to see it. Hobbema has a fast lineup and the game should be very interesting.

The League standing at present is:

Team	W	L	T	Pts
Ponoka	3	0	0	6
Hobbema	3	1	1	3
Wetaskiwin	3	1	1	3
Lacombe	3	1	0	3

The league games yet to be played in Lacombe are as follows: Hobbema at Lacombe, June 20. Hobbema at Wetaskiwin, July 15. Ponoka at Lacombe, June 27. Wetaskiwin at Lacombe, July 4.

Coleman Camp Stoves. Prices \$11.00 and \$14.00 at Morrison and Johnston, Ltd.

EDMONTON EXHIBITION

The Edmonton Exhibition is annually becoming more attractive, as the Directors adopt various features of special interest to those living in Northern Alberta.

In lieu of the pageant, the features of special interest will be the Revue—an artistic musical and dancing production which will go into the moving pictures at the close of the Western Canada Fair Circuit. Poodler's horse act is one which the fair has been endeavoring to secure for some years, and is the most famous horse act on the continent. Those who have lived in Alberta for many years will be interested in the dancing of the group of ten halfbreeds from St. Paul Des Metis, who were the star dancers at the recent C.P.R. Festival.

A new midway will please those who like to mix a little fun with their recreation; the Menzies & Co.'s Show will play the midway for the first time, and one of their stellar shows is a real, embalmed whale.

But of course the Edmonton Exhibition is first and last an agricultural exhibition, and a \$50,000 prize list should attract splendid entry list. In addition to the classes for live stock, a number of special classes have been made for farm women, and for ladies over 70 years of age; the prize money for such making and similar accomplishments is extremely attractive.

The entries close on June 28th, and the prize lists are free to those asking for them.

SPRUCEVILLE NEWS

A number from Spruceville have been enjoying the Chautauque.

There will be a dance held in the Spruceville Hall on Friday, June 27. The funds will go towards painting the Hall.

Mr. Proudfoot spent the week end at Daysland, visiting his sister, Mrs. Forbes, who has been ill for some time.

A number of neighbors and friends journeyed through the rain to the home of Mr. and Mrs. W. W. Burton, on Friday evening, to give their daughter Mabel a miscellaneous shower. Miss Molly Heath and Master Elmer Young, dressed as a bride to be, presented the bride-to-be with a nice array of gifts, after which a short programme of speeches, songs, games and contests was enjoyed. The ladies sat at a dainty lunch, then all gathered round the young couple and sang. "For they are jolly good fellows" and extended good wishes for happiness. All departed feeling that a very pleasant evening was spent.

The U.F.W.A. meeting will be held at the home of Mrs. James Morris on Wednesday afternoon, June 26th. Roll call to be answered by "Meals for Hot Days". Frances Adams will give her report of the Junior Conference. A paper on "Job" will be given by Mrs. Proudfoot. Hostesses: Mrs. J. B. Crocker, Mrs. Barnes, Mrs. Proudfoot, Miss Reid. There was a very large crowd at attendance at the U.F.W.A. service last Sunday in the Spruceville Hall. Mr. Wm. Irvine, M.P., of Bentley gave a very able address to an appreciative audience. Rev. Mr. Miller assisted. Miss Carpenter, of Red Deer sang a solo, which was enjoyed by every one.

Hostesses: Mrs. J. B. Crocker, Mrs. Barnes, Mrs. Proudfoot, Miss Reid. There was a very large crowd at attendance at the U.F.W.A. service last Sunday in the Spruceville Hall. Mr. Wm. Irvine, M.P., of Bentley gave a very able address to an appreciative audience. Rev. Mr. Miller assisted. Miss Carpenter, of Red Deer sang a solo, which was enjoyed by every one.

MRS. HOWARD DIXON HAS NARROW ESCAPE FROM DROWNING

Staveland, June 15th.—A near drowning in the Spruceville Hall. Mr. Wm. Irvine, M.P., of Bentley gave a very able address to an appreciative audience. Rev. Mr. Miller assisted. Miss Carpenter, of Red Deer sang a solo, which was enjoyed by every one.

Hostesses: Mrs. J. B. Crocker, Mrs. Barnes, Mrs. Proudfoot, Miss Reid. There was a very large crowd at attendance at the U.F.W.A. service last Sunday in the Spruceville Hall. Mr. Wm. Irvine, M.P., of Bentley gave a very able address to an appreciative audience. Rev. Mr. Miller assisted. Miss Carpenter, of Red Deer sang a solo, which was enjoyed by every one.

CLIVE NEWS

The funeral of Mr. Daniels who passed away at Ponoka on Monday, June 9th was held from the United Church, Ponoka, on Wednesday last.

Rev. I. N. Houghton, pastor of Clive, officiated. Deep sympathy is felt for the bereaved family.

The Annual Sunday School picnic meeting was held in the United Church on Tuesday, 10th at 8:00 p.m. A fine representation from each appointment was present. It was decided that the picnic should be held as usual at Morrill's Grove on the farm now owned by Jas. Akery. The necessary committees were appointed to have everything in readiness for this event of the year where great crowds from all over the District as well as many friends from other parts come for the reunion. All old timers are especially invited to come. The date set is Tuesday, July 1st. Further particulars will be given later.

Mrs. F. May has been taken to the University hospital for a major operation. We trust that operation will be successful.

The Stettin Baseball team was defeated on Wednesday evening by our local aggregation to the tune of 13 to 3. Owing to a shower, the game was called off in the seventh inning. This is Clive's second win from Stettin this year.

Jas. W. Doran, manager of the Royal Bank, who is at present in the Red Deer hospital, having undergone an operation is expected home this week-end, but will take his three-weeks vacation.

Mrs. E. Boddy and Mrs. F. May, are both taking medical treatment in city hospitals.

The recent rains have somewhat revived the grain after the severe wind and dust storms ever experienced in this valley. Over fifty per cent. of the grain in the immediate district is badly damaged and unless abundance of rain comes the loss will be greater.

THE LACOMBE MINISTERIAL ASSOCIATION HOLDS PICNIC AT ASPEN BEACH

Through the generosity and kindness of Mrs. Mieser, who placed her Summer Home at Aspen Beach at its disposal, the somewhat newly-organized Lacombe Ministerial Association together with the Members' wives and families, held a greatly enjoyed picnic at Gull Lake on the afternoon and evening of Monday, June 9th.

Those present were as follows, namely: Rev. James and Mrs. Demson, Rev. R. B. and Mrs. Layton, Rev. Brett, Miss Florence Brett, Master Cecil and Mrs. Brett of Montevideo, Rev. W. J. and Mrs. Moore, of Bentley; Rev. and Mrs. Madson, Paul and Lydia Madson; Rev. T. H. and Mrs. Chapman, Marion, Harold and Joyce Chapman; Mrs. Mieser and Mrs. MacKenzie.

It was much regretted that, because of illness, neither the Rev. I. N. Houghton, of Clive, nor the Rev. J. Miller of Blackfalds was able to be present.

Baseball and foot-racing were included in the program to doing full justice to the delicious repast which had been prepared by the ladies and which was served at tables on the spacious veranda of the bungalow.

At the close of the meal, Rev. J. H. Denson, President of the Lacombe Ministerial Association delivered a short address, and emphasized the fact that the gathering was unique in the history of Lacombe, insofar as it was believed to be the first of its kind, and he also expressed the hope that it would become an annual event.

Rev. Mr. Brett delivered a fine address of appreciation. Rev. R. B. Layton moved a hearty vote of thanks to Mrs. Mieser to which he graciously replied. The Rev. T. H. Chapman, the Secretary-Treasurer was called upon to close with prayer.

The Free Masons will tend the Evening Service in a body. The Rev. W. F. H. Cripps, Rector of St. Luke's Church, Red Deer and Rural Dean of Red Deer Diocese will be the Special Preacher. Miss Kathleen Walters will sing a solo entitled "Trees." Lyric Poem by Joyce Kilmer and Music by Oscar Raabach. St. Mary's Church, Bentley.

11:00 a.m. Holy Communion. The Church of the Epiphany, Hinesby 2:30 p.m. Children's Service. 8:00 p.m. Evening Prayer.

Ebeling's Gull Lake Camp

Louis Ebeling has added another attraction to Gull Lake this season, and has Lakeside Camp in shape for tourists.

This camping place is at the south west end of the lake, just below the Trimble addition, and is an ideal place for a summer holiday. Mr. Ebeling has cleared all the brush away, and there is a splendid road to the grounds. The part of the lake is sheltered from the storms, is well treed, and there is plenty of good well water provided. He has also opened a store on the property, and tourists can secure everything they need in the way of groceries, vegetables and milk, fresh and clean.

The camp is free to tourists who wish to spend a day or a month amid the beauties of Gull Lake. This camping ground will fill a long felt need at this popular resort.

Three months of hard labor which included the leveling of 21 acres of rolling waste land and the laying of approximately 13 miles of new track, terminated June 5 when the Canadian Pacific Railway finished the construction of "The City" Toronto, for the accommodation of the huge army of Shriners who held their convention in that city recently.

Lake Minnewanka, famous sheet of water in the Canadian Rockies and far from Banff, has entered angling history with the capture recently of the largest trout ever taken from the lake. It weighed 40 lb. 8 ounces and was 41 inches in length and 22 inches in girth. It has been stuffed and is now in the Banff museum.

The immensity of the progress made and the almost boundless property he has brought home to him, the great need for the awakening of England to a better understanding of the Dominion, was the main theme recently by Major L. A. M. Jones, economic supplement editor of the Morning Post, London, England, who is making a several months tour of Canada studying conditions here.

During the course of the forthcoming World Power Conference to be held in Berlin, Germany, June 26, C. Lafabre, delegate for Canada, will propose that the convention shall be held in Canada in view of the rapid strides made in matters electrical by the Dominion. Mr. Lafabre sailed for Europe recently on board S.S. Empress of France.

June 2 saw the furnishings of the new central tower extension of the Royal York Hotel, Toronto, completed. Altogether there are 152 guest rooms in this wing, including six period suites, art modern, flower, Dutch and Tudor. The Royal York is the largest hotel in the British Empire and with this addition numbers 1,166 rooms.

Pennick Saunders, riding his bicycle at Tuskent, N.S., recently, saw a salmon disporting itself in shallow water near Tuskent Dam. He crept cautiously up, grabbed the fish which almost escaped, dragging him into deep water, but although out of his depth, succeeded finally in getting a 10-pounder fish safely ashore.

Radio continues to advance in popular favor in Canada. At the end of March, 1930, there were 423,557 radio receiving licenses issued by the Canadian Government radio branch of the Department of Marine, compared with 296,926 in March, 1929, an increase of 126,631 in the 12 months.

The number of motor vehicles registered in Canada during 1929 was 1,193,889, an increase over the 1928 registration of 117,070 or 10.3 per cent. This was an average of one motor vehicle to each 8.2 persons. Canada ranks third among the countries of the world in the number of automobiles in proportion to the population.

The ideal time to start very young children in music is July and August, when they may have a very short daily lesson at their own cottage as long as my canoe can ride the waves. Lessons given in Violin, Viola, Voice, Cornet, etc. W. M. M. Touche.

A. M. CAMPBELL'S

Rimby News

The fourth meeting of the Council of M.D. 460 for the year 1930 was held in the high school at Rimby with all councillors present and the reeve in the chair. Minutes of the previous meeting were read and adopted.

Reports were dealt with as follows: Hospital agreement deferred for full consideration: On exhibit (A), agreement for cattle creep between M.D. 460 and A. Mackenzie, dated July 25th, 1929; (B), bond of indemnity, re: lost cheque, Virginia Kirk; (C), insurance policy on office and contents, \$800.00. The matter of settlement for land taken for road diversions was left until another meeting. It was moved and carried that sufficient improvements had been done on N.W. 33-44-1-5th and it be hereby exempted from wild land tax. An application for wild land tax exemption, W. Abel, S.W. 8-44-2-5th was tabled for investigation. Secy. was instructed to get in touch with Public Works Department, asking that bridge crew be instructed to drive piles at certain locations while they are in the district. West of 27-44-2-5th; South West Cor. 30-43-2-5th; South-East Cor. 17-43-2-5th. Secretary reported that the capital Grant had been set at \$2400.00; That the oil tank had been furnished gratis by the Imperial Oil Co.; That an old age pension had been granted to Wm. T. Kucker. It was also reported that Ben Olmstead had accepted a cash payment in lieu of the monthly pension granted him by the Workmen's Compensation Board. A letter was read from the Carter Land Co., asking for M.D. holdings and prices; Secretary was instructed to write them asking for bids; A circular from S.B. was read explaining their obligations for taxes. Also a circular from the Dept. of Municipal Affairs, containing the recent amendments to the M.D. Act; Councillors McDowell and Twiss were appointed a committee of two with power to choose a third, to investigate the advisability of favoring the application of Simon Robert Carson for an old age pension. The opinion of the Council was requested by the Old Age Pensions Board. Letters from Snell and Evans, surveyors, were read tendering their services. No survey needed this year: The merits of a dirt loader for use in making fills were commented on unfavorably; It was thought advisable that the weed-inspector should be furnished with a pressure spray for treating small isolated patches of weeds with which he came in contact and the secretary was authorized to procure; It was moved and passed that a bill of Dr. Byers, M.O.H., \$15.00 re attendance and medicines Findlay Web-

ster a patient at Rimby Hospital be added to general account. There was considerable discussion relative to the employment of indigents to compensate for relief funds received by them from the M.D. and the consequent unfairness that this labor should be charged against any particular division. It was pointed out that if the indigents were physically able and were not employed, relief funds were a direct loss to the district. No definite action was taken. A letter was read from the Dept. of Municipal Affairs re suggestion that arrears of school taxes collected by the Municipal district, being tax levied prior to the time that the Municipal District began collection of school taxes, should be forwarded to the school district concerned as soon as collected with special reference to collected school arrears on S.E. 24-42-28-4 and Wolfville S.D. Secretary was instructed to take up the matter with the Department of Municipal Affairs pointing out the obstacles to such procedure with no apparent benefit to be derived by the school district concerned. An old bill from Alexandra Hospital re: John Pringle for \$68.75 was tabled to enable the particulars to be looked into. Payments for tractor crew May 10 and May 20, May pay-sheet 'C' ordered with-held, pending amounts that should be allowed for trips to Hibernia and Edmonton.

FINALS:

General Account	275.50
Grant account	690.00
Tractor account	703.75
Division 1	8.85
Division 2	23.70
Division 3	22.40
Division 4	135.40
Division 5	407.65
Division 6	26.50

It was moved and carried, bills be paid if found correct.
It was moved and carried that the Reeve and Secretary be empowered to borrow from General account \$3500.00 and not exceeding \$3500.00 for school account.
Meeting adjourned at 5:30 p.m.
W. A. Saunders,
Secretary-Treasurer

The Way to Tolerance

(Brookville Recorder and Times)
Those who took part in the embittered religious controversies of 20 years, would have rubbed their eyes in disbelief had they been permitted to witness the spectacle of the recent meeting of the Grand Orange Order Lodge of Ontario East officially forwarding fraternal greetings to the annual convention of the Knights of Columbus in session here "saying it with flowers" so appropriately that the Knights broke into

cheering and applause.

Let those who consider that religious feeling in this country is increasing rather than declining, mark well this evidence of a friendly spirit between the members of two fraternal organizations which, although allied with differing churches, stand together in the humanitarian and charitable work which they are carrying on, each respecting what the other is doing and what the other believes.

There is really no reason why people who happen to belong to different churches and to be earnest upholders of their tenets, should not, as the Orangemen and the Knights of Columbus have shown, get along without the quarrelling and the bitterness which, unfortunately, quite often characterizes their relationships.

By forwarding hearty greetings—and roses—to the Knights of Columbus in convention assembled, the Grand Orange Lodge of Ontario East has done much more than merely to display a friendly feeling toward its fellow fraternal organization. It has pointed the way toward the exhibition of a more tolerant attitude on the part of the people as a whole, and proved that while there may be differences upon certain points, there is no reason in the world why people of one faith should not mingle freely and amicably with those of another faith and should not indeed, respect the views which the others entertain.

MEADOWBROOK NEWS

Mr. Harry Long has traded his Ford touring for a 1929 Essex sedan. Mr. James Berry had the misfortune to have his eye hurt very badly last week. A stick which he had thrown rebounded hitting him in the eye. He was taken to Edmonton where the eye specialist attended it. Mrs. Chris. Hussey is visiting relatives at Castor.
"The Ladies' Aid held their June meeting at the home of Mrs. Gustafson last Thursday afternoon. In spite of terrible dust storm a good attendance was present and preparations were made for the annual picnic to be held on the church grounds on July 2nd. Dinner will be served for the small price of 25c. to adults and 15c. for children. Sports of every description are being planned, and everyone is cordially invited. Remember, July 2nd.
The Social Evening Club held their June meeting at the home of Mr. John Carlson and planned for their picnic on July 12th at Wilson's Beach.
Mr. and Mrs. Wm. Kinley had their two youngest children baptised last Sunday at Church by Mr. Brett. Quite a few from this district attended the wedding dance of Dan Wilson's on Friday evening and re-

ported a wonderful time. We all wish them much joy and good luck in their future life.

CLIVE NEWS

Miss Mildred Forcht came back from the week she spent at the University of Edmonton and reported a good time.
The annual Swedish Church picnic will be held on June 24th 4 miles north of Clive. Everybody welcome.
Mr. and Mrs. Rainforth and son and daughter left last week for a motor trip to Nebraska, they expect to be away about two months.
Mr. and Mrs. Jas. Fife and daughter left last week for a trip to the States.
Mr. Tom Spink is in the Lacombe Hospital. We hope he will soon be well again.

DRINKING FOUNTAIN NEEDED

It was brought to our attention this week by several well known farmers of the district that a drinking fountain for horses or some such convenience be provided—at the tie yard. It was suggested that a stock tank and faucet would be ideal and would prove of great help to the farmers trading in Lacombe. The cost of installing such a convenience would be negligible when compared to the service rendered to the community.

Baby Clinic

All arrangements have been made to hold a Baby Clinic on Thursday and Friday, June 26 and 27th, under the auspices of the Lacombe and Lakeside Institutes. Miss Emraon, nurse in charge from the Department of Health will examine all children of pre-school age free of charge and advise with the mothers.
From 10:00 a.m. to 4 p.m. Attendees will be pleased if as many as possible will come in the forenoon in order that more efficient service may be given.
